Re: San Fernando Valley Area 1 - North Hollywood Operable Unit
EPA Superfund Site I.D. Nos. 59 and N1
Los Angeles County, California

Dear Mr. Black:

As I believe you know, the undersigned represents CalMat Co., and this letter is in response to yours dated July 5, 1995 addressed to CalMat's president Frederick Gerstell confirming that the pre-inspection questionnaire sent CalMat in late May of this year was in error and reiterating EPA's request for site access to the CalMat Landfill for purposes of groundwater and soil vapor sampling.

As I advised you by my letter of July 4, 1995, this property no longer belongs to CalMat, and the request should be made to the property's current owner.

Also, please in the future do not write CalMat's president Frederick Gerstell directly, but address such matters either to the undersigned or to CalMat's Assistant General Counsel, Brian W. Ferris, Esq., whose address is the same as Mr. Gerstell's.

If you have any question or comment, please do not hesitate to call.

Yours very truly,

Barry C. Vaughan
